

WHO ARE YOU CARRYING?

CARRY THE LOAD provides active ways to connect Americans to the sacrifices made by our military, veterans, first responders and their families. It started in 2011 as a grassroots effort by two Veteran U.S. Navy SEALs to restore the true meaning of Memorial Day. Today, Carry The Load has grown into a nationwide movement with people participating in activities throughout the year to honor and remember our nation's heroes.

Each May, Carry The Load inspires people to participate in its Memorial May awareness campaign. Individuals, families and groups can join by walking with the National Relay team, attending a rally, hosting their own Carry It Anywhere event, organizing a youth Carry The Flag activity, joining the Dallas Memorial March and fundraising for our nation's heroes. Registration is free at www.carrytheload.org.
