

DISPLAY YOUR PATRIOTISM

Objectives:

- Use art to express what it means to be an American.

Activity:

Discuss the colors and visuals that represent being an American. Encourage participants to demonstrate through any form of art. This activity is designed to express the individual's view of American patriotism.

Art projects can be created in groups or as individual projects. Projects can take the form of any medium, such as a painting, sketch poem, or short video.

Choose a day to showcase the art to other group members, parents, and the community. Select top participants and submit them to Carry The Load to be showcased on our website.
