

# *Flag Etiquette*

- Never let the flag touch the ground.
- Never use the flag as drapery or decoration - that's what bunting is for!
- Wearing the flag for costume is a no-no.
- Raise the flag briskly and lower it slowly.
- Only fly the flag upside down as a sign of distress.
- If displaying the flag at night, illuminate it proudly.
- When the flag is displayed from a staff projecting from a window or building, the union should be at the peak of the staff unless the flag is at half staff.
